Sr. No.	Name & Address	Issues/Suggestions raised
1.	Sh. Bir Singh Chandel, Cashier, Truck Union Nalagarh	He said that Ambuja Cement Ltd. has done remarkable works under Corporate Social Responsibility in all sectors for development of this area. He also said that there is no Pollution from this unit.
2.	Sh. Lakshman Das, Vill. Patehar Fallu, P.O Jhajra, Tehsil. Nalagarh, Distt. Solan	He welcomed everyone in the public hearing and informed about the extraordinary works in various sectors such as Health, Agricultural, Infrastructure development etc. done by the Ambuja Cement Foundation since its establishment. He said that Ambuja Cement Foundation have promoted a Micro scale society founded by the local villagers by providing Infrastructure, equipments, machinery and technical guidance which will enable them to collect milk and manufacture its various derivative products to sell them in open market to get financial benefits. He added that A.C.F has also provided technical guidance in Agricultural sector which helped the local villagers to grow various varieties of pulses; he informed that 7-8 quintals of pulses were sold in open market last year. He appreciated the drum beating in the local area conducted to inform about the details of public hearing. He requested to recommend the approval of this expansion proposal.
3	Sh. Ram Kumar, Ex President, Vill. Panjehra, Tehsil. Nalagarh, Distt. Solan	He said that they are lucky to have this clean production unit in their area and this industrial unit is an inspiration for other industries. He emphasized that such more units may be established in this area. He appreciated the operation and maintenance of Pollution control devices installed in this unit he added that unit was inspected several times by the local representatives but every time the unit was observed to be pollution free. He also informed about the various development works done by Ambuja Cement Foundation in various sectors such as Educational facilities, Health services through Mobile van operational since year 2008 which is being connected to various surrounding Panchayats, women empowerment, research and motivation to agricultural sector, employment to local villagers by hiring their trucks for transportation purposes. He said that there will be no adverse impact in the area if the production capacity increased to four times the existing capacity.

		He expressed his support in favor of unit in lieu of the above referred social works done by the unit and also recommended to approve the expansion proposal.
4.	Smt. Anju, Self help group Member, Vill. Navagraon, Tehsil. Nalagarh, Distt. Solan.	She said that Ambuja Cement Ltd. is engaged in various social activities such as association of local ladies with self help groups and technical training courses which provide employment and income sources, association with banks for various financial schemes. She also appreciated the work done by Ambuja Cement Foundation in Infrastructure, drinking water facilities, community centre development, health care facilities through mobile van and organizing Medical Checkup camps by arranging visits of doctors specialized in various fields, operating a Laboratory for various medical tests at nominal rates, she also emphasized to approve the proposed expansion in production capacity of the unit which will further increase the development of the region in coming years.
5.	Sh. Sanjeev, BDC Member, Tehsil. Nalagarh, Distt. Solan.	He informed that Ambuja Cement Foundation has done various development activities in the region since its establishment. He said the expansion in the production capacity shall increase the employment of Trucks in the unit so the same shall be approved.
6.	Smt. Anjana Gupta, Vill. Panjehra, Tehsil. Nalagarh, Distt. Solan.	She informed that establishment of this unit in the area has led to growth of the region and expansion in its production capacity will increase the community development activities and other benefits. She also informed about the various development works done by the Ambuja Cement foundation as mentioned above. She also requested to approve the expansion proposal.
7.	Smt. Saroj Devi, Vill. Navagraon, Tehsil. Nalagarh, Distt. Solan.	She informed that M/s Ambuja Cement Ltd. has done remarkable work in improvement of common drains, Roads maintenance, Community centre development also helped to organize various functions in a smooth manner.
8.	Ramesh Singh, President, Gram Panchayat Panjehra, Tehsil. Nalagarh, Distt. Solan	He expressed his thanks to M/s Ambuja Cement Ltd. for proposing expansion of production capacity in existing unit. He informed that A.C.F has always actively participated in all the development works executed by Panchayats. He added that there is no pollution from this

u

		unit and establishment of this unit provided employment to local villagers by hiring their trucks and also constructed a high quality school building at Nalagarh. He requested the chairman to recommend the approval of Expansion proposal of cement production.
9.	Sh. Prakash Chand Bansal, Vill. Navagraon, Tehsil. Nalagarh, Distt. Solan.	He welcomed everyone in the public hearing and said that M/s Ambuja Cement Ltd. has executed many works in the Navagraon village, they have constructed Roads, Community centers and drainage systems but they have not provided any employment to local youth in the unit. He also said that the road constructed by A.C.F got completely damaged and the same is required to be repaired, he expressed his belief that both the demands shall be fulfilled by Ambuja Cement Ltd. He also conveyed his willingness regarding approval of expansion proposal.
10.	Smt. Shivani Gautam, Member Self Help Group, Vill. Panjehra, Tehsil. Nalagarh, Distt. Solan.	She expressed her contentment about the expansion proposal as its will also enhance the socio development works executed by Ambuja Cement Foundations.
