

Proceedings of Environmental Public Hearing on the proposal submitted by M/s Dev Bhumi Stone Crusher for collection of Stone, Sand & Bajri (minor mineral) situated in Khasra no. 981 and measuring 13-37-86 Hectares, at Village & Mauza Garli, Mohal Dangra, Tehsil Dehra, District Kangra, Himachal Pradesh.

Environmental Public Hearing on the proposal submitted by M/s Dev Bhumi Stone Crusher for collection of Stone, Sand & Bajri (minor mineral) situated in Khasra no. 981, measuring 13-37-86 Hectares, at Village & Mauza Garli, Mohal Dangra, Tehsil Dehra, District Kangra, Himachal Pradesh was organized on 26.07.2014 at 11.00 AM by H. P. State Pollution Control Board, Regional Office Jassur as per notification No-SO-1533 dated 14.09.2006. This public hearing was organized by the H. P. State Pollution Control Board under the chairmanship of Sh. Rakesh Sharma, ADM, Kangra at Dharamshala according to prescribed process of public hearing. The attendance sheet of participants present in the public hearing is enclosed (Annexure-I). In this public hearing Panchayat Pradhan of concerned and nearby Panchayats, other public representatives & Residents of local Panchayat were present. First of all, Er. S.K.Dhiman, Regional Officer, H.P.S.P.C.B, Jassur welcomed the Chairman, officers and officials of various Departments representatives of all Panchayats, local public, Sh. Sanjay Butail and their consultants. He requested everyone to express their views, comments, suggestions and objections regarding the proposal submitted without any fear and pressure, and then he requested the Chairman to kindly permit to start the Public Hearing. The Chairman permitted to start the process of public hearing. After that R.O. PCB requested the project proponent to give the detailed report of their mining lease. The brief description regarding this proposed Mining Area was given by the representative of the Stone Crusher Sh. Sanjay Butail and Dr. Shalini Gupta their consultant M/s IDMA Laboratories, Panchkula, Haryana. ADM, Kangra at Dharamshala also requested the people present in this Environmental Public Hearing to express their views, comments, suggestions and objections regarding this proposed Mining Lease without any fear and pressure from any corner. Videography of the public hearing was also done. Accordingly the proceedings of the Environmental Public Hearing were recorded and the same are reproduced here.

Sr. No.	Name & Address	Issues/Suggestions raised	Reply
1.	Smt. Sneh Lata, Pradhan, Gram Panchayat Noohi, Tehsil. Dehra, Distt. Kangra.	She welcomed Sh. Rakesh Sharma, ADM Kangra at Dharamshala other officials, Public representatives and the general public. She pointed out that it is very difficult for us to get the aggregate as the local tractor owners/drivers refuse to supply the same as they are challaned for the illegal mining if any by the Mining Department. She further stated that mining should be done openly and legally so as to control/restrict the illegal mining. If mining lease will be allowed then everyone can carry out their work. It was also pointed out that it is difficult to carry out the construction activities of the works of panchayat. She stressed that the mining should be carried out and welcomed this project as it was favorable for them.	No Reply
2.	Sh. Kartar Singh, Ex BDC Member Garli, Tehsil. Dehra, Distt. Kangra	He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He pointed that it was good that the project was proposed by the Government at this place and it is very important to establish this project for the development activities and employment of the local people. Regarding other issues pertaining to pollution, it was informed that the same can be controlled effectively with latest technique and machinery. As far as the local area is concerned, the unemployed people will get jobs and the local people will also be benefited. He thanked everyone for	No Reply

		bringing the proposal of this project due to which the development of the local area will take place.	
3	Sh. Rupendar Singh, Pradhan Gram Panchayat Paragpur, Tehsil. Dehra, Distt. Kangra	<p>He welcomed everyone. He said that the tractor owners, contractors and the general public present in this public hearing understand the importance of mining lease. The main concern of this area about which the chairman of the committee is aware that it is very difficult for us to get the aggregate material for the development works under MANREGA, as the local tractor owners/drivers refuse to supply the same as they are afraid of being challaned for the illegal mining if any by the Mining Department and he himself being a tractor owner feels the same as he had been challaned twice or thrice, but we are helpless in this matter as there is no other industry or any source of employment in this area. If this project is established, there will be employment generation. He said that if the project is established, it has to follow all the norms so that there will be no impact on environment and problems for the local people as it will be monitored by the various departments of Government. The establishment of this project will also restrict illegal mining due to which the adverse effects of illegal mining such as damage of bridges, IPH schemes etc. will also be controlled. We are also having urban areas adjoining to our local boundaries and there</p>	

RSC

		is major requirement of construction material in these areas, this project will also fulfill this demand.	
4.	Sh. Sanjeev Sharma, Pardhan Gram Panchayat Gangot, Tehsil. Dehra, Distt. Kangra	He said that he also agrees with all the people that it is a very good proposal to establish the project but suggested that the project management should appoint/employ the local people and always keep in view the rights of the local people.	Sh. Sanjay butail assured that he will abide by the rules and regulations imposed by the authority.
5.	Sh. Anil Sharma, Contractor, Paragpur, Tehsil. Dehra, Distt. Kangra	He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He welcomed the project proposal as it will be a very good project for the local area. He said that 80 % of the people are residing at outer places as there are no industries, agriculture or any other business and while constructing their own houses/ buildings they have to get construction material from far off places at higher rates. He Pointed out that these people also get facilitated after the establishment of this project. He suggested that the mining department should forward a memorandum to the Central Government that crate work/check dams should be provided to all our rivers/naalas to stop the flow of slit in Beas river, the slit collected on check dams will be lifted to a level of 1mtr. and can be utilized ever year, it will also contribute in prevention of soil erosion. He further stated that there is a good stock of stones and raw material in this area and we can also sell the aggregate in outer areas	

22

		and can be benefited.	
6.	Sh. Hari Prasad, Local Resident, Garli Panchayat, Tehsil. Dehra, Distt. Kangra.	He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He said that it is a long time awaited project proposal and he welcomed the activities being done on the directions of the Government.	
7.	Sh. Hans raj, Local Resident, Garli Panchayat, Tehsil. Dehra, Distt. Kangra	He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He said that Paragpur Block is a very vast block having its area from Sansarpur terrace to Anoh village and there are about 3-4 stone crushers in this block. Aggregate is an important requirement for the Government as well as Private construction projects and its availability is a major problem in their area. The crushers presently working in the area are not able to fulfill the requirement of the local people. There is only one crusher in the area from Nakki Khad to Anoh and it is very important to establish another Crusher project in this area as it will give rise to competition and the local people get benefited. Today every government as well as private project utilizes the crusher material and there is a huge demand of aggregate due to which illegal mining is very active in the area, which is carried out adjoining to HPPWD Bridges and IPH water supply schemes and thereby causing danger to their installation. Hence, it is necessary to install project of this kind in this area. It was	

20

		further stated that they support this project and suggest that a crushing unit should also be installed in the Anoh area.	
8.	Sh. Ashwani Kumar, Local Resident, Garli Panchayat, Tehsil. Dehra, Distt. Kangra	He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He said that it is a good proposal to install stone crusher in this area but any issues regarding pollution will be brought to the notice of administration. He also said that there was shortage of Raw material in the area and it was very necessary to install the stone crusher.	Dr. Shalini Gupta representative of Sanjay Butail replied that they have prepared a management plan and assured that they will operate this project as per the plan and the mining will be carried out in legal manner.

At the end, ADM, Kangra at Dharamshala, suggested as follows:

1. The grant of mining lease will restrict the illegal mining as the tractor owners/people will approach the authorized places with valid mining lease, for the purchase of raw material. More will be the number of Short term permits and mining leases, lesser will be illegal mining.
2. He informed the general public about the process and procedure of the joint inspection and its committee and also informed about the various citing parameters. He stressed on the need to follow the safe parameters for mining activities.
3. As mining activity for more than one meter depth is not allowed, as there is not only unscientific mining but also leads to many accidents.
4. He stressed on the need for fixed hours for mining operation and it should not be done late night as same has been observed in past. He asked the lease owner to restrict the operation and not allow the tractors to ply in night.

5. The mining should be done scientifically and the pits should be backfilled with the clay generated during washing operation. The mining should be carried out in such a manner that the water stream in the river is channelized and the private land of the residents of the area is also saved/protected.

6. He also stressed the need for plantation in the area and providing of subsidized material to poor.

At the end the Chairman of the committee thanked all the public for attending the Public Hearing.

Sh. Sanjay Butial, informed that as per the recommendation of the panchayat pradhan, the material will be provided on subsidized rates to the poor people. Also for the construction of temples or religious works the material will be provided on subsidized rates or free of cost. The mining will be carried out as per the mining plan.

At the end, Sh. S.K.Dhiman, Regional Officer, HPSPCB, Jassur thanked all the officers of different Departments and the public for attending the Public Hearing and concluded the public hearing.

Additional District Magistrate

श्री संजय कुमार बुटेल द्वारा श्रीयुत देव भूमि स्टोन क्रशर, गांव व मौजा गरली, मौहाल (डांगरा), डा0 परागपुर, तहसील देहरा, जिला कांगड़ा (हि.प्र.) द्वारा मौजा गरली, तहसील देहरा, जिला कांगड़ा (हि.प्र.) खसरा न0 981 कुल क्षेत्रफल 13-37-86 हैक्टेयर, से रेत,

बजरी व पत्थर के संग्रह के प्रस्ताव पर आयोजित पर्यावरण

जन सुनवाई के आयोजन संबंधी कार्यवाही का विवरण

हिमाचल प्रदेश राज्य प्रदूषण नियंत्रण बोर्ड द्वारा दिनांक 26-07-2014 को प्रातः 11:00 बजे गांव गरली, डा0 परागपुर, तहसील देहरा, जिला कांगड़ा (हि.प्र.) में श्री संजय कुमार बुटेल द्वारा श्रीयुत देव भूमि स्टोन क्रशर, गांव व मौजा गरली, मौहाल (डांगरा), डा0 परागपुर, तहसील देहरा, जिला कांगड़ा (हि.प्र.) द्वारा मौजा गरली, तहसील देहरा, जिला कांगड़ा (हि.प्र.) खसरा न0 981 कुल क्षेत्रफल 13-37-86 हैक्टेयर, से रेत, बजरी व पत्थर के संग्रह के प्रस्ताव पर पर्यावरण जन सुनवाई खनन क्षेत्र नक्की खडड, नजदीक 66 के0 वी0 सव-सटेशन परागपुर, तै0 देहरा, जिला कांगड़ा, हि0 प्र0 के प्रांगण में आयोजित की गई। यह पर्यावरण जन सुनवाई भारत सरकार द्वारा जारी अधिसूचना सं0-एस0ओ0 1533 दिनांक 14.09.2006 के अंतर्गत निर्धारित प्रक्रिया के अनुसार अतिरिक्त जिला दण्डाधिकारी, कांगड़ा स्थित धर्मशाला, जिला कांगड़ा, (हि.प्र.) की अध्यक्षता में आयोजित की गई। इस जन सुनवाई में उपस्थित व्यक्तियों की सूची संलग्नक-1 पर उपलब्ध है। इस जन सुनवाई के दौरान खनन अधिकारी, कांगड़ा स्थित धर्मशाला जिला कांगड़ा, पंचायत प्रधान गरली, अन्य विभागों के अधिकारी एवं कर्मचारी गण और स्थानीय निवासी उपस्थित थे। सर्वप्रथम हिमाचल प्रदेश राज्य प्रदूषण नियंत्रण बोर्ड के प्रतिनिधि श्री सुशील कुमार धीमान, क्षेत्रिय अधिकारी द्वारा जन सुनवाई की पृष्ठ भूमि के आयोजन के उद्देश्य से उपस्थित जनसमूह को अवगत करवाया गया। तत्पश्चात् अतिरिक्त जिला दण्डाधिकारी कांगड़ा ने उपस्थित जनसमूह को संबोधित करते हुए कहा कि इस खनन क्षेत्र के सम्बन्ध में कोई भी सुझाव, विचार एवं शिकायत हो तो वे निसंकोच पूछ सकते हैं। तत्पश्चात् स्टोन क्रशर के प्रतिनिधि द्वारा खनन क्षेत्र के प्रारूप और विस्तारित पर्यावरण प्रभाव निर्धारण के बारे में जन समूह को अवगत करवाया गया।

इसके उपरान्त अध्यक्ष महोदय की अनुमति से जन सुनवाई की प्रक्रिया आरंभ की गई। इस जन सुनवाई की संपूर्ण कार्यवाही की वीडियोग्राफी भी की गई। इस जन सुनवाई के दौरान उठाए गए मुद्दों एवं उन पर की गई टिप्पणियों की कार्यवाही का विवरण निम्न प्रकार से है:-

क. सं.	नाम व पता	मुद्दे	उठाए गए मुद्दों पर टिप्पणी
1.	श्रीमति रनेह लता परमार, पंचायत प्रधान नुंही, जिला कांगड़ा (हि.प्र.),	उन्होंने अध्यक्ष महोदय का विभिन्न विभागों के कर्मचारियों व अधिकारियों, पंचायत प्रतिनिधियों एवं आम जन समूह का स्वागत किया। उन्होंने मुझा उठाया कि इस क्षेत्र में रेत, बजरी व पत्थर (निर्माण सामाग्री) बहुत मुश्किल से उपलब्ध हो पाती है। ट्रेक्टर मालिक भी निर्माण सामाग्री उपलब्ध करवाने से मना कर देते हैं। क्योंकि अवैध खनन के लिये खनन विभाग द्वारा कई वार उनका चालान किया जा चुका है। हम यह चाहते हैं कि अवैध खनन को रोकने हेतू इस परियोजना को अनुमति प्रदान की जाये। खनन सामाग्री उपलब्ध न होने के कारण पंचायत की भी निर्माण परियोजनाओं का कार्य करने में मुश्किल का सामना करना पड़ता है। यह परियोजना हमारे लिये हितकारी है। इसलिये हम इसका स्वागत करते हैं।	-
2.	श्री करतार सिंह, भूतपुर्व वी0 डी0 सी0 सदस्य गा0 व डा0 गरली, तहसील देहरा, जिला कांगड़ा, (हि.प्र.)	उन्होंने अध्यक्ष महोदय का विभिन्न विभागों के कर्मचारियों व अधिकारियों, पंचायत प्रतिनिधियों एवं आम जन समूह का स्वागत किया। उन्होंने कहा कि यह बहुत अच्छी बात है कि सरकारी विभागों एवं सरकार द्वारा इस क्षेत्र में यह परियोजना प्रस्तावित की गई है। इस क्षेत्र के विकास एवं स्थानीय लोगों के रोजगार हेतू इस परियोजना को लगाया जाना अति आवश्यक है। प्रदूषण से संबंधित मुद्दों के वारे में आज तकनीक इतनी विकसित हो चुकी है कि प्रदूषण होने की कोई सम्भावना ही नहीं है। स्थानीय क्षेत्र के वेरोजगार लोगों को रोजगार मिलेगा एवं स्थानीय लोगों को भी कई प्रकार के लाभ मिलेंगे। उन्होने इस परियोजना को इस क्षेत्र के लाभ हेतू सवका धन्यवाद किया।	-
3.	श्री रूपेन्द्र सिंह (डैनी) पंचायत प्रधान परागपुर जिला कांगड़ा	उन्होने सवका स्वागत किया। उन्होने कहा कि, ट्रेक्टर मालिकों, ठेकेदारों व इस जन सुनवाई में आई हुई आम जनता बुद्धिजीवी हैं और खनन पट्टा के वारे में अच्छी तरह समझती है। इस क्षेत्र की प्रमुख समस्या	-

	(हि.प्र.)	जिससे अध्यक्ष महोदय पहले से अवगत हैं। इस क्षेत्र के विकास हेतु मनरेगा के अर्न्तगत परियोजना के लिये निर्माण सामाग्री उपलब्ध नहीं हो पाती है क्योंकि यहां के स्थानीय ट्रेक्टर मालिक अवैध खनन के लिये होने वाले चालान से डर कर निर्माण सामाग्री उपलब्ध करवाने से मना कर देते हैं। मैं खुद एक ट्रेक्टर मालिक हूँ मैं खुद ऐसा महसूस करता हूँ क्योंकि दो-तीन बार मेरा अवैध खनन हेतु चालान हो चुका है किन्तु इस क्षेत्र में कोई और रोजगार का साधन न होने के कारण हम मजबूर हैं। यदि यह परियोजना यहाँ स्थापित होती है तो हमारे लिये रोजगार के अवसर उत्पन्न होंगे इसलिये मैं इस परियोजना का समर्थन करता हूँ किन्तु यदि यह परियोजना यहाँ स्थापित होती है तो इन्हें पूरे नियमों का पालन करना होगा, ताकि पर्यावरण पर कोई दुष्प्रभाव न पड़े एवं स्थानीय लोगों को भी कोई नुकसान न हो। इस परियोजना की स्थापना से अवैध खनन पर भी रोक लगेगी और अवैध खनन से होने वाले दुष्प्रभाव जैसेकि लो०नि०वि० पुलों को क्षति, I&pH की पानी की सप्लाई को नुकसान इत्यादि भी कम होंगे। हमारे साथ कुछ शहरी क्षेत्रों की सीमायें भी लगती हैं और यहां पर निर्माण सामाग्री की बहुत आवश्यकता है इस परियोजना द्वारा इस आवश्यकता को पूरा किया जा सकता है।	
4.	श्री संजीव शर्मा, पंचायत प्रधान गन्गोट, जिला कांगड़ा (हि.प्र.)	उन्होंने कहा कि वह इस परियोजना के सम्बन्ध में सबकी राय से सहमत हूँ, यहां परियोजना स्थापित करना एक अच्छा प्रस्ताव है किन्तु मैं परियोजना प्रबंधन को यह सुझाव देना चाहता हूँ कि यहाँ के स्थानीय लोगों को इस परियोजना में रोजगार दिया जाये एवं उनके हितों को ध्यान में रख कर कार्य किया जाये।	श्री संजय वुटेल (कृशर प्रतिनिधि) ने विश्वास दिलाते हुये कहा कि मैं सारे नियमों का पालन करूंगा।
5.	श्री अनिल शर्मा, कान्ट्रेक्टर, प्ररागपुर, (हि.प्र.)	उन्होंने अध्यक्ष महोदय का विभिन्न विभागों के कर्मचारियों व अधिकारियों, पंचायत प्रतिनिधियों एवं आम जन समूह का स्वागत किया। उन्होंने कहा कि यह इस क्षेत्र के लिए अच्छी परियोजना है अतः मैं	-

AL

		<p>इसका स्वागत करता हूँ। यहाँ की 80% लोग वाहरी क्षेत्रों में रहते हैं क्योंकि यहाँ कोई उद्योग कृषि के अवसर या कोई व्यवसाय नहीं है और जब वे लोग अपने घर या कोई निर्माण करते हैं तो उन्हें निर्माण सामग्री बाहरी क्षेत्रों से महंगी दरों पर खरीदनी पड़ती है, इन लोगों को भी इस पीरयोजना से काफी लाभ पहुंचेगा। उन्होंने कहा कि मैं यह सुझाव देना चाहता हूँ कि खनन विभाग को एक प्रस्ताव पत्र तैयार करना चाहिये कि राज्य सरकार व केन्द्र सरकार को जाना चाहिए कि जितने भी खड्ड व नाले हैं थोड़ी-थोड़ी दूरी पर जाले लगने चाहिये, जितनी भी गाद आती है वो व्यास नदी को भर रही है। इस गाद से हमारा नुकसान हो रहा है, बांध लगने से गाद को रोका जा सकता है एवं भूमि कटाव भी नहीं होगा। ऐसा करने से लोगों को फायदा ही होगा। यहां तैयार माल को वाहरी क्षेत्रों में भी भेजा जा सकता है। इस काम को करने के लिये सरकार को सही ढंग की परियोजना बनानी चाहिये। उन्होंने दोबारा बताया कि हमारे क्षेत्र में पत्थर की मात्रा अधिक है और हम निर्माण सामग्री बाहरी क्षेत्रों में भेजकर अच्छा लाभ कमा सकते हैं।</p>	
6.	<p>भूतपूर्व सुवेदार मेजर हरि प्रसाद, स्थानीय निवासी पंचायत गरली, जिला कांगड़ा (हि.प्र.)</p>	<p>उन्होंने अध्यक्ष महोदय का विभिन्न विभागों के कर्मचारियों व अधिकारियों, पंचायत प्रतिनिधियों एवं आम जन समूह का स्वागत किया। उन्होंने कहा कि इस तरह की परियोजना का इस क्षेत्र में काफी लम्बे समय से जरूरत थी, सरकार के दिशा निर्देशों के अनुसार जो कार्य किया जा रहा है वह उसका समर्थन करता हूँ।</p>	
7.	<p>श्री हंसराज स्थानीय निवासी पंचायत गरली, जिला कांगड़ा (हि.प्र.)</p>	<p>उन्होंने अध्यक्ष महोदय का विभिन्न विभागों के कर्मचारियों व अधिकारियों, पंचायत प्रतिनिधियों एवं आम जन समूह का स्वागत किया। उन्होंने कहा कि परागपुर खण्ड काफी बड़ा है, इसके क्षेत्र की सीमा संसारपुर टैरस से अनोह गांव तक पड़ती है, इस क्षेत्र के अन्दर लगभग 3 या 4 कशर हैं, सरकारी या निजी परियोजनाओं का पूरा करने हेतु निर्माण सामग्री की</p>	-

		<p>आवश्यकता होती है एवं इसकी उपलब्धता इस क्षेत्र की एक बड़ी समस्या है। यहां जो क़शर लगे हैं वह इस क्षेत्र की निर्माण सामग्री आवश्यकता को पूरा करने में विफल हैं। नक्की खड्ड से अनोह तक के क्षेत्र में केवल एक क़शर है एवं एक और क़शर की स्थापना अत्याधिक आवश्यक है। इससे स्थानीय लोगों को लाभ मिलेगा। आज हर सरकारी या निजी परियोजना के निर्माण हेतु निर्माण की सामग्री की आवश्यकता है। जिससे क्षेत्र में अवैध खनन हो रहा है। यह अवैध खनन लोनिवि0के पुलों के पास या I&pH की पानी सप्लाई की परियोजनाओं के पास की जाती है जिससे उनका खतरा बढ़ जाता है। अतः इस तरह की परियोजना की यहां बहुत आवश्यकता है। हम यह भी चाहते हैं कि क़शर अनोह क्षेत्र में भी लगाया जाये।</p>	
8.	<p>श्री अश्वनी कुमार, स्थानीय निवासी पंचायत गरली, जिला कांगड़ा (हि.प्र.).</p>	<p>उन्होंने अध्यक्ष महोदय का विभिन्न विभागों के कर्मचारियों व अधिकारियों, पन्चायत प्रतिनिधियों एवं आम जन समूह का स्वागत किया। उन्होंने कहा कि यह एक अच्छा प्रस्ताव है कि इस क्षेत्र में क़शर लगाया जा रहा है, किन्तु यदि कोई प्रदूषण से सम्बंधित कोई समस्या आती है तो इसे प्रशासन के समक्ष रखा जायेगा। उन्होंने यह भी कहा कि इस क्षेत्र में निर्माण सामग्री की कमी है अतः यहाँ क़शर लगाना अति आवश्यक है।</p>	<p>डा0 शालिनी गुप्ता प्रामर्शदाता ने बताया कि इस सम्बंध में हमने प्रवन्धन योजना तैयार की है और हम यह आश्वासन देते हैं कि हम अपनी परियोजना को इसके अनुरूप ही कार्यान्वित करेंगे और खनन प्रक्रिया को वैध रूप से चलाया जायेगा।</p>

अन्त में अतिरिक्त जिला दण्डाधिकारी, कांगड़ा स्थित धर्मशाला, जिला कांगड़ा, (हि.प्र.) ने निम्नलिखित सुझाव दिये:

- 1 खनन अनुमति मिलने से अवैध खनन पर रोक लग जायेगी क्योंकि प्रत्येक व्यक्ति को मालूम होगा कि किस व्यक्ति के पास खनन की अनुमति है, जितनी खनन की अनुमति की संख्या बढ़ेगी, उतना ही अवैध खनन को रोका जा सकता है।

2. उन्होंने आम जनसमूह को खनन् पट्टा या कशर लगने के लिये की जाने वाली प्रक्रिया के बारे में बताया और सामूहिक निरीक्षण के मापदण्डों के बारे में भी बताया। उन्होंने यह भी कहा कि जो जमीन नदी के दोनों किनारे सुरक्षित क्षेत्र के रूप में छोड़ी जाती है वाद में उस पर भी खनन् शुरू कर दिया जाता है।
3. उन्होंने कहा कि जैसा कि खनन् 01 मी0 की गहराई से ज्यादा स्वीकृत नहीं है। यह अवैज्ञानिक खनन् नहीं है परन्तु कई दुर्घटनाओं का कारण है।
4. उन्होंने कहा कि खनन् बतिविधियों का समय निश्चित किया जाना चाहिये। रात के समय खनन् नहीं किया जाना चाहिये। यदि ऐसा पहले हुआ है तो भविष्य में न करें। उन्होंने खनन् पट्टा मालिकों को बोला कि रात को ट्रेक्टर न चलायें।
5. खनन् वैज्ञानिक तरीके से किया जाना चाहिये और गढढों को निर्माण सामाग्री की धुलाई के समय निकली हुई मिट्टी से वापस भर दिया जाना चाहिये। खनन् इस तरह से किया जाना चाहिये, जिससे कि नदी में पानी के बहाव का तट्टीकरण हो जाये और नजदीकी लोगों की जो जमीन खतरे में है वह बच जाये।
6. उन्होंने पौधारोपण एवं गरीब लोगों को कम मूल्य पर निर्माण सामाग्री उपलब्ध करवाने के लिये कहा।

अन्त में अध्यक्ष महोदय ने प्रामर्शदाताओं से पूछा कि यदि उनका क्षेत्रीय लोगों के हित के लिये कोई विचार है तो वे इसके बारे में बता सकते हैं।

इसके प्रत्युत्तर में श्री संजय वुटेल ने बताया कि पन्चायत प्रधान द्वारा सिफारिश पर निर्माण सामाग्री कम मूल्य पर उपलब्ध करवाई जायेगी। मन्दिरों एवं धार्मिक स्थानों के निर्माण हेतु निर्माण सामाग्री भी कम मूल्य या मुफ्त दी जायेगी। उन्होंने कहा कि खनन् कार्य खनन् योजना के अनुसार ही किया जायेगा।

अंत में श्री सुशील कुमार धीमान, क्षेत्रीय अधिकारी, राज्य प्रदूषण नियंत्रण बोर्ड, ने विभिन्न विभागों के सभी अधिकारियों एवं उपस्थित सभी लोगों का जन सुनवाई में भाग लेने का आभार प्रकट करके जनसुनवाई का समापन किया।

Statement of Issues raised in Environmental Public Hearing on the proposal submitted by M/s Dev Bhumi Stone Crusher for collection of Stone, Sand & Bajri (minor mineral) situated in Khasra no. 981 and measuring 13-37-86 Hectares, at Village & Mauza Garli, Mohal Dangra, Tehsil Dehra, District Kangra, Himachal Pradesh.

Environmental Public Hearing on the proposal submitted by M/s Dev Bhumi Stone Crusher for collection of Stone, Sand & Bajri (minor mineral) situated in Khasra no. 981, measuring 13-37-86 Hectares, at Village & Mauza Garli, Mohal Dangra, Tehsil Dehra, District Kangra, Himachal Pradesh was organized on 26.07.2014 at 11.00 AM by H. P. State Pollution Control Board, Regional Office Jassur as per notification No-SO-1533 dated 14.09.2006. This public hearing was organized by the H. P. State Pollution Control Board under the chairmanship of Sh. Rakesh Sharma, ADM, Kangra at Dharamshala according to prescribed process of public hearing. The attendance sheet of participants present in the public hearing is enclosed (Annexure-I). In this public hearing Panchayat Pradhan of concerned and nearby Panchayats, other public representatives & Residents of local Panchayat were present. First of all, Er. S.K. Dhiman, Regional Officer, H.P.S.P.C.B, Jassur welcomed the Chairman, officers and officials of various Departments representatives of all Panchayats, local public, Sh. Sanjay Butail and their consultants. He requested everyone to express their views, comments, suggestions and objections regarding the proposal submitted without any fear and pressure, and then he requested the Chairman to kindly permit to start the Public Hearing. The Chairman permitted to start the process of public hearing. After that R.O. PCB requested the project proponent to give the detailed report of their mining lease. The brief description regarding this proposed Mining Area was given by the representative of the Stone Crusher Sh. Sanjay Butail and Dr. Shalini Gupta their consultant M/s IDMA Laboratories, Panchkula, Haryana. ADM, Kangra at Dharamshala also requested the people present in this Environmental Public Hearing to express their views, comments, suggestions and objections regarding this proposed Mining Lease without any fear and pressure from any corner. Videography of the public hearing was also done. Accordingly the proceedings of the Environmental Public Hearing were recorded and the same are reproduced here.

Sr. No.	Name & Address	Issues/Suggestions raised
1.	Smt. Sneh Lata, Pradhan, Gram Panchayat Noohi, Tehsil. Dehra, Distt. Kangra.	She welcomed Sh. Rakesh Sharma, ADM Kangra at Dharamshala other officials, Public representatives and the general public. 		<p>construction material from far off places at higher rates. He Pointed out that these people also get facilitated after the establishment of this project. He suggested that the mining department should forward a memorandum to the Central Government that crate work/check dams should be provided to all our rivers/naalas to stop the flow of slit in Beas river, the slit collected on check dams will be lifted to a level of 1mtr. and can be utilized ever year, it will also contribute in prevention of soil erosion. He further stated that there is a good stock of stones and raw material in this area and we can also sell the aggregate in outer areas and can be benefited.</p>
6.	<p>Sh. Hari Prasad, Local Resident, Garli Panchayat, Tehsil. Dehra, Distt. Kangra.</p>	<p>He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He said that it is a long time awaited project proposal and he welcomed the activities being done on the directions of the Government.</p>
7.	<p>Sh. Hans raj, Local Resident, Garli Panchayat, Tehsil. Dehra, Distt. Kangra</p>	<p>He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He said that Paragpur Block is a very vast block having its area from Sansarpur terrace to Anoh village and there are about 3-4 stone crushers in this block. Aggregate is an important requirement for the Government as well as Private construction projects and its availability is a major problem in their area. The crushers presently working in the area are not able to fulfill the requirement of the local people. There is only one crusher in the area from Nakki Khad to Anoh and it is very important to establish another Crusher project in this area as it will give rise to competition and the local people get benefited. Today every government as well as private project utilizes the crusher material and there is a huge demand of aggregate due to which illegal mining is very</p>

		active in the area, which is carried out adjoining to HPPWD Bridges and IPH water supply schemes and thereby causing danger to their installation. Hence, it is necessary to install project of this kind in this area. It was further stated that they support this project and suggest that a crushing unit should also be installed in the Anoh area.
8.	Sh. Ashwani Kumar, Local Resident, Garli Panchayat, Tehsil. Dehra, Distt. Kangra	He welcomed ADM Kangra at Dharamshala other officials, Public representatives and the general public. He said that it is a good proposal to install stone crusher in this area but any issues regarding pollution will be brought to the notice of administration. He also said that there was shortage of Raw material in the area and it was very necessary to install the stone crusher.

At the end, ADM, Kangra at Dharamshala, suggested as follows:

1. The grant of mining lease will restrict the illegal mining as the tractor owners/people will approach the authorized places with valid mining lease, for the purchase of raw material. More will be the number of Short term permits and mining leases, lesser will be illegal mining.
2. He informed the general public about the process and procedure of the joint inspection and its committee and also informed about the various citing parameters. He stressed on the need to follow the safe parameters for mining activities.
3. As mining activity for more than one meter depth is not allowed, as there is not only unscientific mining but also leads to many accidents.
4. He stressed on the need for fixed hours for mining operation and it should not be done late night as same has been observed in past. He asked the lease owner to restrict the operation and not allow the tractors to ply in night.
5. The mining should be done scientifically and the pits should be backfilled with the clay generated during washing operation. The mining should be carried out in such a manner that

the water stream in the river is channelized and the private land of the residents of the area is also saved/protected.

6. He also stressed the need for plantation in the area and providing of subsidized material to poor.

At the end the Chairman of the committee thanked all the public for attending the Public Hearing.

Sh. Sanjay Butial, informed that as per the recommendation of the panchayat pradhan, the material will be provided on subsidized rates to the poor people. Also for the construction of temples or religious works the material will be provided on subsidized rates or free of cost. The mining will be carried out as per the mining plan.

At the end, Sh. S.K.Dhiman, Regional Officer, HPSPCB, Jassur thanked all the officers of different Departments and the public for attending the Public Hearing and concluded the public hearing.

Additional District Magistrate
Kangra at Dharamshala,
District Kangra (H.P.)
