1	Shri Ranjit Pathania, Up-Pradhan, Gram Toki, Tehsil Indora, District Kangra, H.P.	He stated that the local crushers units are operating well. However, as it shares a border with State of Punjab, many trucks carrying material pass through Sekhu Bazar to Punjab, creating traffic issues due to the narrow road. He requested that Punjab vehicles should not pass through here. Additionally, he stated that the local crusher should sprinkle water regularly and cover the trucks with tarpaulin while transporting material so that dust does not emitted and no inconvenience caused. He emphasized that rules must be fully complied with.	The Chairman stated that this is a general public issue and is not related to this project. Instructions regarding this will be issued to the concerned department.
2	Shri Sunny Goyal, Up-Pradhan, Gram Panchayat Damtal, District Kangra, H.P.	He stated that local people are getting employment from the crushers. He requested that vehicles carrying material must comply with the rules and trees should be planted along the crushers and mining areas to prevent pollution issues.	-----
3	Shri Kanav Thakur, Indora, Tehsil Indora, District Kangra, H.P.	He stated that local people have gotten employment here due to the crushers. These crushers extend all possible support to resolve the problems of the youth. Therefore, we have no objection.	-----
4	Shri Randhir Singh, Village Bain Attarian, Tehsil Indora, District Kangra, H.P.	He stated that they have no objection to the operation of crushers.
