

**Form -IV**  
**See [Rule (8)(3)]**  
**Format of Annual Report to be submitted by the State Pollution Control Board /**  
**Committees to the**  
**Central Pollution Control Board**

To,

The Chairman,  
 Central Pollution Control Board,  
 Parivesh Bhawan, East Arjun Nagar,  
 Delhi-110032

1	Name of the State/Union territory :	Himachal Pradesh
2	Name & address of the State Pollution Control Board/Pollution Control Committee:	H.P. State Pollution Control Board, Him Parivesh, Phase-III, New Shimla- 171009 (H.P).
3	Number of municipal authorities responsible for management of municipal Solid wastes in the State/Union territory under these rules :	Municipal Corporations :02 Municipal Council :31 Nagar Panchayat :21 Cantonment Board :07
4	A Summary Statement on progress made by municipal authorities in respect of implementation of <b>Schedule III</b> :	Attached Schedule-III
5	A Summary Statement on progress made by municipal authorities in respect of implementation of <b>Schedule IV</b>	Schedule- IV is not in C& D Rules, 2016. However progress made by ULBs is enclosed as Attached Annexure-I (C&D waste)
Date Shimla		 (Aditya Negi, IAS) Member Secretary HP State Pollution Control Board, Shimla Telephone No. 0177-2673766 

**Schedule III**  
**Timeframe for Planning and Implementation**  
[See Rule 13]

Sl. No.	Compliance Criteria	Cities with population of 01 million and above	Cities with population of 0.5-01 million	Cities with population of less than 0.5 million
1	Formulation of policy by the state government.	NO city in Himachal Pradesh with 1 Million above population.	Policy prepared (enclosed)	Policy prepared (enclosed)
2	Identification of sites for collection and processing facility.		As per Annexure- I (C&D)	As per Annexure- I (C&D)
3	Commissioning and implementation of the facility.		As per Annexure- I (C&D)	As per Annexure- I (C&D)
4	Monitoring by SPCBs.		There is no C&D Facility Developed in 2019-20 till date.	There is no C&D Facility Developed in 2019-20

### Annexure-I (C&D Waste) 2019-20

Sr. No.	Name of ULB	Collection	Storage	Transportation	Disposal/Remarks
1	MC SHIMLA	<ul style="list-style-type: none"> <li>• Population -1,69,578</li> <li>• C&amp;D waste generated during the whole year in peak period- 72.79TPD</li> <li>• Total quantity of collected of C&amp;D waste per day 72.79 TPD</li> <li>• Lean and peak period generation per day: Lean period- December-Janurary: nil. Peak period- May-Sept. 10 TPD or more (occasionally)</li> <li>• Processing/Recycling Facility not setup yet. It is proposed to set up a 3TPH capacity Processing Plant.</li> <li>• The C&amp;D Waste is being utilized for back filling against the retaining walls and covering the waste rejects at the landfill site at Bhariyal.</li> <li>• 1 No. of landfill sites used with the area 9.928 Hac.</li> </ul>	<ul style="list-style-type: none"> <li>• Storage bins- Container shape &amp; size- 4.5 cm dumper container, 4 Nos. Existing and 1 No. proposed for future.</li> <li>• Lifting of C&amp;D waste from storage bin -Mechanical (Dumpers placers are used for transportation of the C&amp;D waste to storage facility at Bhariyal.</li> </ul>	<ul style="list-style-type: none"> <li>• Waste transported through 6 nos. of existing dumper-placer.</li> <li>• Required- 8 nos. of dumper placer and proposed 2 nos.</li> </ul>	<ul style="list-style-type: none"> <li>• Yes proposal has been made to improve C&amp;D Waste Management practices: 4 dumper containers are placed in different parts of City. It is proposed to place one more dumper container.</li> <li>• The Storage site has been earmarked at waste to energy plant at Bhariyal.</li> <li>• It is proposed to set up a 3.0 Tons/day capacity processing plant looking into consideration the future demand/ waste generation.</li> <li>• 4 Slum are provided with C&amp;D waste receptacles.</li> <li>• Efforts made to involve PPP- Presently waste is being used for back filling and covering the waste rejects at the landfill site.</li> <li>• To check unauthorized operations- Action as per HPMC Act, 1994.</li> <li>• Yes, Municipal magistrate appointed for taking penal action for non-compliance with rules.</li> <li>• Yes weigh bridge facility used for quantity estimation.</li> <li>• Yes C&amp;D waste used in sanitary landfill.</li> </ul>
